

EMERGENCY ACTION PLAN

Marino Center 369 Huntington Ave, Boston, MA

* ATC or person with highest medical authority will assess the injury and initiate appropriate actions. In all circumstances, when present, the team physician provides direction over all emergency procedures. In the event of off-season workouts strength or sports coach will initiate EAP

1.) In order to activate the Emergency Medical Services (EMS) at Marino Center, you MUST:

Call 911 and state you are in Boston, MA

- If a cellular phone is not available, the location of the nearest phone is:

- Front desk on the first floor lobby.

- Provide the following information to the dispatcher:

- Identify yourself (caller name and title)

- Location (Northeastern University, Marino Center 369 Huntington Ave, Boston, MA)

- Situation (What happened? Conscious/Unconscious, breathing...)

- Follow up with a call to Northeastern University Public Safety at: 617-373-3333

- Provide the same information as above. Let them know you have already activated EMS and they are on the way.

2.) Send designated individual to retrieve emergency equipment:

- 1st Floor: Lobby, next to elevator.

- 2nd Floor: Top of the stairs outside of the basketball courts.

- 3rd Floor: Top of the stairs

3.) Send designated individual to wait for EMS to arrive at one of the EMS access points:

a. **Position 1: Huntington Ave Entrance**

b. **Position 2: Forsyth St Entrance**

4.) Provide appropriate emergency care until arrival of EMS personnel; on arrival of EMS personnel, provide pertinent information (method of injury, vital signs, treatment rendered, medical history) and assist with emergency care as needed.

5.) Request EMS to transport the patient to Saint Elizabeth's Hospital. Unless MD states otherwise.

- Tufts Medical Center: 830 Washington Street, Boston, MA, 02111 – 617-636-5566
